expanding educational horizons

The tour leaders have extensive experience leading groups to Tanzania with a focus on connecting and serving in local schools around Moshi, in the Kilimanjaro region of Tanzania. They team with local teachers and schools to develop educational opportunity for school students in the area. They have experience with Tanzanian safari and mountain guiding companies for an exciting adventure into spectacular, world famous Tanzanian National Parks .

Teaching

- ⇒ inform and impact your teaching practice
- ⇒ increase your understanding of and connection with the global community
- ⇒ visit a variety of different service projects
- ⇒ meet Tanzanian teachers working in local village schools
- ⇒ workshop with Tanzanian teachers and share experiences
- ⇒ develop student project possibilities from connections with local schools and organisations
- ⇒ network with the teacher group to enhance “service” in your school
- ⇒ it may be possible to visit the International Criminal Tribunal for Rwanda (UNICTR) in Arusha

Mount Meru trek

You will be staying near Moshi at the base of Mt Kilimanjaro. Enjoy a three day trek on Mt Meru, from which we will witness the spectacular sun rise over Kili, 60km to the east. The really intrepid can do this from the summit at 4600m. Easier trekking is also an option as is a day on a coffee plantation. Meru is an extinct volcano.

Safari

You will enjoy a four day catered camping safari in four wheel drive safari vehicles through:

- ⇒ Lake Manyara National Park,
- ⇒ Ngorongoro Crater
- ⇒ Serengeti National Park.
- ⇒ Olduvai Gorge .
